The resolution of the Municipal Council enclosed with the Deputy Commissioner's letter does not say anything definitely about giving a starting pay of Rs 52/- to the recruits to the staff of the school But the Council is agreeable to bear the extra cost involved in any arrangement made by the management to staff the school satisfactorily

Subject Raising the starting pay of the High School Teachers - Chintamani Municipal High School

---

Sir,

I have the honour to state that owing to the paucity of qualified hands some of the vacancies in the Chintamani High School in the grade Rs 40-4-60 could not be filled up as and when they occurred and that with the growing strength of the pupils the attending High school classes, additional sections have had to be opened so that that the normal work of the school might not suffer. In order to find out how many are to fill up the vacancies that have occurred in the High School the Managing Committee of the High School considered the question of raising the starting pay to the fresh entrant from Rs 40/- to Rs 52/- per month and have resolved in their meeting held on 25/11/44 that the candidates that could be entertained hereafter may be started on Rs 52/- per month in the grade of Rs 40-4-60.

2 Similar difficulties are felt in the case of the High School, maintained by the Municipal Board and on the recommendation of the Managing Committee, Government were pleased in their Order No I 1428/41 30-96-43-42 dated 9th August 1944 to sanction starting pay not exceeding Rs 40/- per month to the vacancies starting pay being Rs 52/- in special cases to recruit teachers, the sanction being in force for a period of one year. The High Schools maintained by the local bodies are under the control of the Deputy Commissioner as President of the Managing Committee and it would be convenient and equitable if the starting pay in the High Schools (Municipal) is fixed on an uniform basis with due regard to the financial stability of the Municipal Council. The Chintamani Municipal Council has no objection to meet the extra cost involved in this proposal and they have resolved on 31/5/1944 that the Municipal Council would even provide for all these appointments pensionable in accordance with Mysore Service Regulations.

3 In these circumstances, I request you to kindly exert in the direction of Government for fixing the starting pay of the appointments sanctioned
